

Golf4Community Player Quick Start Sheet

Last Updated: October 05, 2025

1. Welcome to Golf4Community

Golf4Community brings local golfers together by ZIP code to play friendly matches against nearby communities.

Each member helps build camaraderie, sportsmanship, and support for local youth initiatives.

2. Joining Your Community

Sign up at Golf4Community.com with your ZIP code to be automatically placed in your local community team.

There's a one-time annual support fee of \$20 to maintain the platform and fund programs for underserved children.

3. Checking Matches

Visit the 'Match Center' to see upcoming, pending, and completed matches involving your community.

Look for match details such as course, tee time, and opponent ZIP.

4. Playing and Submitting Scores

Your community captain will confirm your team's lineup and tee time.

After playing, confirm results with your captain so the match can be marked 'Completed' and added to the leaderboard.

5. Staying Connected

Check your community page regularly for updates, match results, and leaderboard changes. Stay active, invite neighbors to join, and keep the spirit of friendly golf alive!

6. Support

For questions, email info@golf4community.com or ask your community captain.
